

# **EAST PRAIRIE R-II SCHOOL DISTRICT**

**EP R-II 2022-2023**

**Safe Return to In-Person Instruction and  
Continuity of Services Plan  
(SRCSP)**

The objective of this plan is to provide a positive educational experience for all students in the EP R-II School District in a safe, secure, stable, and healthy learning environment.

East Prairie R-II School District will begin the 2022-23 school year in Phase One with a traditional school schedule. This means that all students attend in-person each day of the 2022-23 school year.

**Phase One consists of regular school days with basic preventative measures**

Key points for the safe start of 2022-23 school year:

- Good handwashing hygiene is expected
- Masks are strongly encouraged for individuals not fully vaccinated
- A spacing distance of 3 feet is expected between individuals
- Bus transportation will include sanitation after each route
- Restroom breaks may be staggered for spacing
- Parents, students, and employees will be regularly reminded of the symptoms of COVID-19, how the virus spreads, and proper hygiene techniques.
- Students and employees are encouraged to stay home if they are experiencing symptoms
- A strict cleaning regimen is in place
- Visitors to our campuses will be encouraged to follow safety protocols if they could come in contact with children or employees.
- Although we do NOT anticipate any closures, we are aware that there is still the possibility of short-term and/or long-term dismissal of individual classes, schools, or the entire district at the discretion of the Board of Education
- We will seek input as we monitor and adjust our strategies to provide a safe, secure, healthy, and stable learning environment on an ongoing basis in conjunction with the Mississippi County Health Department
