

Department of Technology

Following: a section of the Technology User Agreement that is signed by students and staff each year prior to the use of district provided technology. This section outlines the specifics of what is covered by the \$30 Technology Damage Waiver, and when a user will be billed for repairs/replacements.

We understand we are accepting responsibility for any damage, destruction, or loss of the assigned Chromebook. We understand that a \$30 fee will be collected for each Chromebook. This fee will cover:

1. One occurrence of replacement of the Chromebook screen due to breakage. There will be no charge for the first breakage, unless it is determined that the Chromebook had been removed from its school-purchased protective case. If the Chromebook screen has to be replaced more than once, the parent/guardian will be charged \$50 for each occurrence after the first replacement of the broken screen.
 2. If the Chromebook is lost or stolen in the student's time in the district, a \$50 fee will be charged to the parent/guardian. A second instance of loss or theft will result in the parent/guardian being charged the full cost of replacement. Restricted use may result if it is determined that the loss or theft was due to neglect on the part of the student or parent/guardian.
 3. While the technology fee will be collected each year the student uses the Chromebook, occurrences will be accumulated. For example, a student's Chromebook screen is replaced (for free) in the 11th grade. The screen cracked again in the 12th grade. The crack that occurs in the 12th grade will be seen as the second occurrence and the \$50 fee will be collected.
- C. This usage fee will not cover the loss of the provided charger. It will be the responsibility of the student to pay the replacement cost of the lost or stolen charger.

Here, you will find an outline of those charges, *which are subject to change* at the discretion of the district based costs incurred by the district.

Chromebook Charger Replacement (Brand New)	\$25.00
Chromebook Charger Replacement (Used) *If available*	\$15.00
Chromebook Screen Replacement	\$50.00
Chromebook Replacement	\$150.00
Chromebook Case Replacement**	\$35.00
Chromebook Battery Replacement	\$40.00

*If no used chargers are available for resale, the user's only option will be to purchase new.

**The district requires that devices be kept in A case. It does not have to be the one we provide. If you prefer to purchase a different one, you are welcome to do so. If the one you have is not up to your standards and would like to purchase a new one from the district, you may do so.
